World Platinum Investment Council announces executive leadership appointments

London, 28 June 2018: The World Platinum Investment Council (WPIC) has today announced the appointment of Sally Singer as Director, Investor Development. Also, David Crawford has been promoted to Director, Product Partnerships, further strengthening the WPIC leadership team with immediate effect.

Sally joins WPIC from UBS Investment Bank in London, where she was Executive Director in equity specialist sales, covering commodities, mining, steel and chemicals companies. Sally's career in investment banking spans over 20 years. She has previously held roles in corporate broking, UK and European equity sales and structured credit syndication at leading banks including Deutsche Bank, Morgan Stanley, BNP Paribas and UniCredit.

Previously Head of Precious Metals at the London Metal Exchange (LME), David joined WPIC in 2015 and has since led the development and growth of several key product partnerships, including the Royal Mint and BullionVault.

Paul Wilson, Chief Executive Officer of WPIC commented: "Sally will be a great asset to our organisation and we are delighted to welcome her to our team. Her experience gained working with global institutions and hedge funds in the natural resources sector will be beneficial as we continue to develop the platinum investment market. We are equally delighted to congratulate David on his promotion. His contributions to our efforts over the past three years have been invaluable to the WPIC's success."

In her role, Sally will lead WPIC's investor development activities, servicing the existing platinum audience and identifying and expanding the potential platinum investor base. She will be reporting directly to CEO Paul Wilson and will join Brendan Clifford, Manager, Investor Development at WPIC's global headquarters in London.

David's new role will see him lead the WPIC's Product Partnerships team, working closely with Andrew Tan, Program Manager, Product Partnerships. He will be responsible for maintaining relationships with existing WPIC partners, as well as developing new products and initiatives to increase the range of sustainable platinum investment options available to investors worldwide.

-Ends-
